

# ROMANIZATION

## Best Practices

If your character is talking and mentions how much they like the local *λεῖθα* produced in the region...

If your character is talking and mentions how much they like the local *ledher* produced in the region...

If your character is talking and mentions how much they like the local *hlèâð'řð* produced in the region...

For the Pp!!

*Pp*

Kala versus Qala

*appreciate*  
opriyshiyeyt  
oprishiyeyt

Gesyka  
Jenesis

*see*  
siy

*seer*  
siyur

A    B    C  
\*sen > \*sen > sen  
\*send > \*send > sen

This is what David's first paragraph looked like. SQUAWK!

This is what David's second paragraph looked like. SQUACK! (typo intended because yikes!)
